Company Secretary**

Notes:

1. An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, relating to Special Business (es) at Sr. 3 to 4 to be transacted at the Annual General Meeting is annexed hereto. The relevant details as required under regulation 36(4) of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 and clause 1.2.5 of SS-2 (Secretarial Standards – 2) on General meetings by the Institute of Company Secretaries of India, in respect of the person seeking appointment / re-appointment as Directors under item no. 2 of the Notice, is also annexed.
2. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs (“MCA”) has vide its Circular No. 20 dated May 5, 2020 read with Circular No. 14 dated April 8, 2020 and Circular No. 17 dated April 13, 2020 (hereinafter collectively referred to as “MCA Circulars”) permitted the holding of Annual General Meeting through VC or OAVM without the physical presence of Members at a common venue. In compliance with these MCA Circulars and the relevant provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, 38th Annual General Meeting of the Members of the Company is being held through VC/OAVM.
3. Pursuant to the provisions of the Companies Act, 2013, a Member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the Annual General Meeting and hence the Proxy Form and Attendance Slip are not annexed to the Notice.
4. Institutional/Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPEG Format) of its Board Resolution or governing body Resolution/Authorisation etc., authorising its representative to attend the Annual General Meeting through VC/OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through their registered email address to **hs@hsassociates.net** with copies marked to the Company at **compliance@naxparlab.com** and to its RTA at instameet@linkintime.co.in.
5. Members attending the meeting through VC/OAVM shall be counted for the purposes of reckoning the quorum under Section 103 of the Companies Act, 2013.
6. The Notice of the 38th Annual General Meeting of the Company along with the Annual Report for the financial year 2019-20 is being sent only by electronic mode to those Members whose email addresses are registered with the Company/Depositories in accordance with the aforesaid MCA Circulars and circular issued by SEBI dated May 12, 2020. Members may note that the Notice of Annual General Meeting and Annual Report for the financial year 2019-20 will also be available on the Company's website www.naxparlabn.com and also on website of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. Members can attend and participate in the Annual General Meeting through VC/OAVM facility only.
7. The Register of Members and the Share Transfer Books of the Company will be closed from Thursday, 24th September, 2020 to Wednesday, 30th September, 2020 (both days inclusive) for the purpose of the 38th Annual General Meeting of the Company.
8. Since the 38th AGM will be held through VC/OAVM, the route map is not annexed.
9. Members are requested to:

- i. Register thier email ID and Bank Account details:

In case the shareholder's email ID is already registered with the Company/its Registrar & Share Transfer Agent “RTA”/Depositories, log in details for e-voting are being sent on the registered email address.

In case the shareholder has not registered his/her/their email address with the Company/its RTA/Depositories and or not updated the Bank Account mandate, the following instructions to be followed:

- a. Kindly log in to the website of our RTA, Link Intime India Private Ltd., www.linkintime.co.in under Investor Services > Email/ Bank detail Registration - fill in the details and upload the required documents and submit.

- b. In the case of Shares held in Demat mode:

The shareholder may please contact the Depository Participant (“DP”) and register the email address and bank account details in the demat account as per the process followed and advised by the DP.

- ii. Intimate the Registrar and Share Transfer Agents, M/s. Link Intime India Pvt Ltd, for consolidation into a single folio Members, if they have shares in physical form in multiple folios in identical names or joint holding in the same order of names.
 - iii. Convert their holdings in dematerialized form to eliminate risks associated with physical shares and better management of the securities. Members can write to the company's registrar and share transfer agent in this regard.
 - iv. Members may avail themselves of the facility of nomination in terms of Section 72 of the Companies Act, 2013 by nominating in the prescribed form a person to whom their shares in the Company shall vest in the event of their death. Members holding shares in physical form may obtain the Nomination forms from the Company's Registrar and Share Transfer Agents and Members holding shares in electronic form may obtain the Nomination forms from their respective Depository Participant(s).
10. In case of joint holders attending the meeting, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
 11. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts(s). Members holding shares in physical form can submit their PAN details to M/s. Link Intime India Pvt Ltd, C 101, 247 Park, L B S Marg, Vikhroli West, Mumbai 400 083.
 12. All documents referred to in the accompanying Notice and the Explanatory Statement can be obtained for inspection by sending E-mail to Company on compliance@naxparlab.com.
 13. Members desiring any information relating to the Accounts are requested to address their queries to the Registered Office of the Company at least seven days before the date of the AGM, to enable the management to keep the information ready.
 14. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
 15. SEBI Notification No. SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018 and further amendment vide Notification No. SEBI/LAD-NRO/ GN/2018/49 dated November 30, 2018, requests for effecting transfer of securities (except in case of transmission or transposition of securities) shall not be processed from April 1, 2019 unless the securities are held in the dematerialized form with the depositories. Therefore, Shareholders are requested to take action to dematerialize the Equity Shares of the Company, promptly.
 16. Voting through electronic means (Remote E-voting):
 - I. In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of SEBI (LODR) Regulations, 2015 and Secretarial Standard on General Meetings (SS2) issued by the institute of Company Secretaries of India, the Company is pleased to provide to its Members the facility to exercise their right to vote on resolutions proposed to be considered at the 38th Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the Members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by Link Intime India Private Limited.
 - II. The remote e-voting period commences on Sunday, September 27, 2020 (9:00 a.m. IST) and ends on Tuesday, September 29, 2020 (5:00p.m. IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Wednesday, 23rd September, 2020 may cast their vote electronically. The remote e-voting module shall be disabled by Link Intime India Private Limited e-voting platform for voting thereafter.
 - III. The Members, whose names appear in the Register of Members / list of Beneficial Owners as on Wednesday, 23rd September, 2020, being the cut-off date, are entitled to vote on the Resolutions set forth in this Notice.
 - IV. The Members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.

- V. The facility for e-voting at the AGM will be available and the Members attending the meeting who have not cast their vote by remote e-Voting shall be able to exercise their right at the meeting through e-voting.
- VI. The Company has appointed Mr. Hemant Shetye, Partner of M/s. HS Associates, Practicing Company Secretaries as Scrutinizer, to scrutinize the entire e-voting process in a fair and transparent manner.
- VII. The Scrutinizer shall, immediately after the conclusion of voting at the annual general meeting, would first unblock the e-voting at the meeting, thereafter unblock the votes cast through remote e-voting and make within a period not exceeding two (2) days from the conclusion of the meeting, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any and submit forth with to the Chairman of the Company or a person authorized by him in writing who shall countersign the same.
- VIII. The results declared along with the Scrutinizer's Report shall be placed on the Company's website <http://www.naxparlab.com/> and on the website of Link Intime India Private Limited immediately after the result is declared. The Company shall simultaneously forward the results to BSE Limited ("BSE"), where the shares of the Company are listed.
- IX. The Resolution shall be deemed to be passed on the date of AGM i.e. 30th September, 2020 subject to receipt of sufficient votes.

The instructions for shareholders voting electronically are as under:

Log-in to e-Voting website of Link Intime India Private Limited (LI IPL)

1. Visit the e-voting system of LI IPL. Open web browser by typing the following URL: <https://instavote.linkintime.co.in>.
2. Click on "Login" tab, available under 'Shareholders' section.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF COMPANIES ACT, 2013

Item No. 03:

The Provisions of Section 188 read with Rule 15(3) of the Companies (Meeting of the Board and its Power) Rules 2014 of the Companies Act 2013 ("the Act") and Regulation 27(2) of Securities Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulation 2015 provides that certain kind of transactions as tabled below with related parties as define u/s 2(76) of the Act, hereinafter referred to as 'Related Party Transactions' or 'RPT', beyond the prescribed limits requires approval of members of the Company.

In the light of provisions of Companies Act 2013, the Board of Directors of your Company has ratified, continued and approved the transactions with related parties entered or to be entered into with them, subject to the limit specified in the resolution.

The details as per the requirements of Rule 15(3) of the companies (Meeting of the Board and its Power) Rules 2014 are given in the resolution.

Your Directors propose to pass the above resolution as Ordinary Resolution.

- Except Mr. Prakash Shah, Mr. Baiju Shah, Mrs Ami Mihir Shah, Mr. Vinayak Babli Desai and Mr. Manharbhai Navalchand Jhavari none of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financial or otherwise, in the resolution set out at Item No.03.
- Further, no voting done by any members of the Company, if such member is related party, shall be counted for the purpose of passing of this resolution.

Item No. 04:

The Members of the Company, at the 33rd Annual General Meeting held on September 30, 2015 had approved the appointment of Mr. Tirunillai Venkateswara Anatharaman (DIN: 07147028), as Independent Directors of the Company, for a period of five consecutive years for a term upto 30th March, 2020.

A brief profile of the Independent Directors to be re-appointed is given in the table above on "Details of the Directors seeking appointment/re-appointment in forthcoming Annual General Meeting".

As per Section 149(10) of the Companies Act, 2013 ("the Act"), an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company but shall be eligible for re-appointment on passing a special resolution by the Company.

In line with the aforesaid provisions of the Act, and in view of long, rich experience, continued valuable guidance to the management, recommendation of the Nomination and Remuneration Committee and strong Board performance of the Independent Directors, it is proposed to re-appoint them for the second term as Independent Directors on the Board of the Company for a further period of five years, upto the conclusion of the 43rd Annual General Meeting (AGM), subject to the approval of the Members.

In the opinion of the Board, the Independent Directors fulfill the conditions specified in the Act and all of them are independent of the management. They are not disqualified from being appointed as a Director in terms of Section 164 of the Act and have given their consent to act as a Director.

Copy of the draft letter for appointment of Independent Director setting out the terms and conditions would be available for inspection without any fee by the members at the Registered Office of the Company during normal business hours on any working day, between 11.00 a.m. to 5.00 p.m. up to the date of the Annual General Meeting.

The Board considers that their continued association would be of immense benefit to the Company and it is desirable to continue to avail services of the Independent Directors. The Board recommends passing of the Resolution at Item Nos. 4 of the Notice as a Special Resolution.

None of the Directors or Key Managerial Personnel of the Company and their relatives, other than Independent Directors for their respective appointment, are in any way concerned or interested in the Resolutions, as set out in Item Nos. 4 of the Notice.

ANNEXURE III**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****INDUSTRY STRUCTURE AND DEVELOPMENT:**

Indian pharma industry enjoys an important position in the global pharmaceuticals industry. Industry is gearing up for the next level of growth driven by shift towards specialty products, customer centricity, focus on improving quality, operational efficiency and productivity and selective mergers & acquisitions.

With a distinct niche of a wide range of products in the veterinary markets, we are poised to take advantage of this unique opportunity available to producers in India. Our focus is not the developed markets of America, Europe and Japan but the developing markets in rest of the world. While these are price sensitive, the opportunity exists to enlarge market presence and deepen the reach. We plan to extend our reach in these markets and improve our performance by being one of the most cost competitive producers.

SEGMENTWISE PERFORMANCE:

The Company is engaged in Trading of Pharmaceuticals, Medicinal products and this may be considered as the only segment. Therefore, the requirement of segment wise reporting is not applicable.

OPPORTUNITIES / OUTLOOK:

The Company is exploring overseas market for its products and optimistic to achieve good results. The growth in industrial output and increase in investment in core and infrastructure sector should improve the sentiments of Economy.

On the whole, your Company is optimistic for the outlook of growth in the short to medium term in terms of total revenues/turnover and operating margins considering overall expected positive trend in Pharmaceutical industry.

THREATS:

The global markets have slowed in the past decade from double digit growth rates seen earlier to single digit growth rates. The US and European markets have slowed down even more.

The technological developments in healthcare as a whole, such as artificial intelligence and 3D printing and their impacts on business models, operations, workforce needs and cybersecurity risks need careful understanding as obsolescence can quickly steal in. Also, As the regulators and society demands on industry to minimise the footprint on environment gets stiffer, the industry needs to raise its standard and attain global standards in environment and workforce health.

RISKS AND CONCERNS:

Every company is exposed to certain risk and Parnax Lab Limited is not an exception. The Company has risk management system to mitigate the risk.

Due to non-profitable operations in the market, it could adversely affect the Company's business, operations and financial condition. This scenario poses the risk of concentration and dependence on one market. In order to reduce the concentration risk, the Company has been spreading its business and with its effective marketing strategy is also increasing sales volumes in existing markets and is making regular efforts to widen geographical spread.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

Parnax Lab Limited has an inclusive internal control system, furnished with qualified and experienced personnel in several departments. This enables smooth functioning within the Company. The internal control commensurate with its size and nature of the business. These procedures ensure efficient use and protection of the resources. It ensures reasonable assurance about the reliability and integrity of financial statements. Additionally, the internal audit process is designed in such a way, that it reviews all significant areas of the Company's operations.

HUMAN RESOURCES POLICIES:

The Company treats all its employees equally and considers them the most valuable assets. It has implemented human resource policies for effective and efficient staffing. The Company's main focus is to attract and retain its pool of scientific and managerial resources. Performance of employees are recognised individually, through a thoughtful mix of incentives & performance bonuses.

CAUTIONARY STATEMENT:

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations may be 'forward-looking statements' within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the company's operations include economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and other incidental factors.

ANNEXURE VII

Form No. MR-3
SECRETARIAL AUDIT REPORT
FOR FINANCIAL YEAR ENDED ON 31ST MARCH, 2020.

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Parnax Lab Limited,
114, Bldg. No. 8 Jogani Industrial Complex,
Chunabhatti, Mumbai-400 022.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **PARNAX LAB LIMITED** (hereinafter called "The Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period ended on 31st March, 2020, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers and minute books, Forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2020, to the extent applicable provisions of:

- I. The Companies Act, 2013 ("The Act") and the Rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the Rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act") to the extent applicable to the Company:-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (Not applicable during the audit period)
 - d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993.
- VI. The Management has identified and confirmed the applicable Acts, Laws and Regulations specifically applicable to the Company:
 - i. Drugs and Cosmetics Act, 1945 and Rules.

We have also examined compliances with the applicable clauses of the following:

- i) Secretarial Standards 1 and 2 issued by The Institute of Company Secretaries of India along with revised Secretarial Standards 1 and 2 as issued by The Institute of Company Secretaries of India with effect from 1st October, 2017.

ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the year under review, the Company has in general complied with the provisions of the Act, Rules, Regulations, Guidelines, and Standards and Listing Obligations mentioned above subject to the following observations:

- *Financial Results in XBRL Format for the June Quarter have been updated on the Stock Exchange later than 24 hours.*
- *Compliance Certificate as per 7 (3) for September Quarter has been uploaded to Stock Exchange in May 2020.*

We further report that:

The Board of Directors of the Company is constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were no changes in the composition of the Board of Directors took place during the year.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

We further report that during the audit period under review:

1. Ms. Bhoomi Thakkar, Company Secretary & Compliance officer of the Company resigned on 30th August, 2019 and Ms. Namrata Kambli was appointed as Company Secretary & Compliance Officer w.e.f. 26th November, 2019.
2. The Board approved the re-appointment of Mr. Tirunillai Venkateswara Anatharaman (DIN: 07147028) as Non-Executive Independent Director of the Company for second term of 5 consecutive years for the period starting from 31st March, 2020 to 30th March, 2025, subject to approval of the members in the ensuing Annual General Meeting.
3. The Company has obtained members approval in its Annual General Meeting held on 28th September, 2019:
 - (a) to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the company or any part of the moveable or immovable properties of the Company at a total consideration of not less than Rs 300 Lakhs (Three Hundred Lakhs only).
 - (b) to approve related party transactions with its Naxpar Pharma Private Limited, Subsidiary of the Company and Naxpar Pharma FZ LLC.
 - (c) The members approved the re-appointment of Mr. Vinayak Babli Desai (DIN: 03185850) and Mr. Manharbhai Navalchand Jhavari (DIN: 03571525) as Non-Executive Independent Directors of the Company for second term of 5 consecutive years for the period starting from 1st April, 2019 to 31st March, 2024.
 - (d) The members approved the re-appointment of Mr. Baiju M Shah (DIN: 00440806) as the Managing Director of the Company for a period of 5 Years starting from 12th August, 2019 to 11th August, 2024.

Annexure A

**To,
The Members,
Parnax Lab Limited,
114, Bldg. No. 8 Jogani Industrial Complex,
Chunabhatti, Mumbai - 400 022.**

Our report of even date is to be read along with this letter.

Maintenance of secretarial record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.

We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of Secretarial Records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial Records. We believe that processes and practices, we followed provide a reasonable basis for our opinion.

We have not verified the correctness and appropriateness of financial records and Books of Accounts, and related documents of the Company.

Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulation and happening of events, etc.

The Compliance of the provisions of Corporate and the other applicable laws, rules, regulations, standards is the responsibility of Management. Our examination was limited to the verification of procedures on test basis.

The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

This Report is based on the data received from the Company partially through electronics mode as physical verification of the data & corresponding documents from the month of February 2020 could not be accessed during the course of Audit due to the ongoing nationwide lockdown on account of COVID-19 pandemic.

INDEPENDENT AUDITOR'S REPORTTo The Members of **Parnax Lab Limited****Report on the Standalone Financial Statements**

1. We have audited the accompanying Standalone financial statements of **Parnax Lab Limited** ("the Company"), which comprises the Balance Sheet as at March 31, 2020, and the Statement of Profit and Loss (Including Other Comprehensive Income), the Cash Flow Statement and the Statement of Change in Equity for the year then ended and, notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its Loss, total comprehensive income, its cash flows and the Statement of Change in Equity for the year ended on that date

Basis of Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined that there are no key audit matters to communicate in our report.

Information other than the financial statements and auditors' report thereon

6. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.
7. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
8. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Standalone Financial Statements

9. The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and the Statement of Change in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes the maintenance of adequate accounting records in

accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

10. In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :
 - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
 - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

16. As required by section 197(16) of the Act, we report that the Company has not paid any remuneration to its directors during the year, hence the provisions of and limits laid down under section 197 read with Schedule V to the Act is not applicable to the Company.
17. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
18. As required by section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, Cash Flow Statement and the Statement of Change in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of written representations received from the directors as on 31st March, 2020, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020, from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in note no. 33 of its standalone financial statements;
 - ii) The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses; and
 - iii) There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure A to Independent Auditor's Report

Referred to as 'Annexure A' in paragraph 17 of the Independent Auditors' Report of even date to the members of **Parnax Lab Limited** on the standalone financial statements for the year ended on 31st March, 2020, we report that:

- (i) (a) The company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) The fixed assets have been physically verified by the management during the year under a regular program of verification which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. No discrepancies were noticed on such verification.
- (c) According to the information and the explanation given to us and the records examined by us, we report that the title deeds of immovable properties are held in the name of the Company as at the Balance Sheet date.
- (ii) As explained to us, the inventories were physically verified during the year by the management at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any secured or unsecured loan to Companies, Firms, Limited Liability Partnerships, or other parties covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act'). Accordingly, paragraph 3(iii) of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.
- (v) In our opinion and according to the information given to us, the company has not accepted deposits and hence, compliance with the directives issued by Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under with regard to the deposits accepted is not applicable.
- (vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under section 148(1) of the Act in respect of Company's products/services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records with a view to determine whether they are accurate or complete.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company is regular in depositing with appropriate authorities applicable undisputed statutory dues including employee state insurance, income tax, sales tax, service tax, duty of custom, duty of excise, value added tax, cess.
- (b) According to the information and explanation given to us, no undisputed amounts payable in respect of employee state insurance, income tax, sales tax, service tax, duty of custom, duty of excise, value added tax or cess were in arrears as at 31st March, 2020 for a period of more than six months from the date they became payable.
- (c) According to the information and explanation given to us, details of employee state insurance, income tax, sales tax, service tax, duty of custom, duty of excise, value added tax or cess which have not been deposited as on 31st March, 2020 on account of any dispute are as given below:

Name of Statute	Nature of the dues	Amount (in Lacs)	Period for which the amount relates (Assessment Year)	Forum where dispute is pending
Central Excise Act, 1944	Excise Duty & Penalty	5.50	April 2003 to March 2005	Commissioner (Appeals)
Central Excise Act, 1944	Excise Duty & Penalty	0.26	April 2003 to Jan. 2006	Commissioner (Appeals)
Central Excise Act, 1944	Excise Duty & Penalty	0.43	Oct. 2001 to Oct. 2003	Custom, Excise, Service Tax Appellate Tribunal
Central Excise Act, 1944	Excise Duty & Penalty	0.82	June 2001 to Feb 2003	Commissioner (Appeals)
Central Excise Act, 1944	Excise Duty & Penalty	56.16	Jan. 2005 to Dec. 2006	Commissioner (Appeals)

- (viii) In our opinion and according to the information and explanation given to us, the company has not defaulted in the repayment of loans or borrowings to banks or financial institutions. The Company does not have any borrowings from government and has not issued any debentures.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) or term loans during the year; hence clause 3(ix) of the Companies (Auditors' Report) Order, 2016 are not applicable to the Company.
- (x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (xi) According to the information and explanation given to us and based on our examination of the records of the Company, the company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with the Schedule V to the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company; hence clause 3(xii) of the Companies (Auditors' Report) Order, 2016 is not applicable to the Company.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with the sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone Ind AS financial statements in note no 41 as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosure specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rule, 2014.
- (xiv) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year hence; clause 3(xiv) of the Companies (Auditors' Report) Order, 2016 are not applicable to the Company.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with the directors or the persons connected to its directors; hence clause 3(xv) of the Companies (Auditors' Report) Order, 2016 is not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

Annexure B to Independent Auditor's Report

Referred to as 'Annexure B' in paragraph 18(f) of the Independent Auditors' Report of even date to the members of **Parnax Lab Limited** on the standalone financial statements for the year ended on 31st March, 2020.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of **Parnax Lab Limited** ("the Company") as on 31st March, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended and as on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls over financial reporting. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Standalone Financial Statements for the year ended 31st March, 2020**Note - 1****A. CORPORATE INFORMATION:**

Parnax Lab Limited is a public company incorporated under the provisions of the Companies Act, 1956. The Company is principally engaged in the business activities of manufacturing and export of Pharmaceutical Formulations.

B. SIGNIFICANT ACCOUNTING POLICIES:**1. Basis of Preparation of Financial Statements:**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting standards) Rules as amended from time to time and other related provisions of the Act.

The financial statements of the Company are prepared on the accrual basis of accounting and Historical cost convention except for the following material items that have been measured at fair value as required by the relevant Ind AS:

- (i) Certain financial assets and liabilities are measured at Fair value (Refer note no. 7)
- (ii) Defined benefit employee plan (Refer note no. 13)

The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

The financial statements are presented in INR, the functional currency of the Company.

2. Use of Estimates and judgments:

The preparation of the financial statements requires the Management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates. The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the management and are based on historical experience and various other assumptions and factors (including expectations of future events) that the management believes to be reasonable under the existing circumstances. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Critical accounting judgements and key source of estimation uncertainty

The Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. The estimates and underlying assumptions are reviewed on an on-going basis.

- (a) Recognition and measurement of defined benefit obligations, key actuarial assumptions - Note no. - 13
- (b) Estimation of current tax expenses and payable - Refer note no. - 14

Estimation of uncertainties relating to the global health pandemic from COVID-19

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipments, investments, inventories, receivables, and other current assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information. There is no material adverse impact of CoVID - 19 pandemic on the Company and its operations/profitability during the financial year ended March 31, 2020. However, CoVID - 19 pandemic effect if any, on the Company's operation / profitability in the current FY 2020-21 can only be assessed in due course.

Notes to Standalone Financial Statements for the year ended 31st March, 2020**3. Property, plant and equipment (PPE)**

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any.

The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable costs of bringing the asset to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure Subsequent costs are included in the assets carrying amount or recognized as a separate asset, as appropriate only if it is probable that the future economic benefits associated with the item will flow to the Company and that the cost of the item can be reliably measured.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work in progress".

4. Intangible assets

Intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

5. Depreciation and Amortization:**(a) Property plant and equipment (PPE)**

Depreciation is provided on a pro-rata basis on the straight line method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

(b) Intangible assets

The useful lives of intangible assets are assessed as either finite or indefinite. Finite-life intangible assets are amortized on a straight-line basis over the period of their expected useful lives. The amortization period and the amortization method for finite life intangible assets is reviewed at each financial year end and adjusted prospectively, if appropriate. For indefinite life intangible assets, the assessment of indefinite life is reviewed annually to determine whether it continues, if not, it is impaired or changed prospectively basis revised estimates."

6. Investment Properties:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured at its cost, including related transaction costs and where applicable borrowing costs less depreciation and impairment if any.

Depreciation on building is provided based on straight line method using the useful life as specified in schedule II of the Companies Act, 2013.

7. Financial Instruments:**Financial assets - Initial recognition:**

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

Notes to Standalone Financial Statements for the year ended 31st March, 2020**Subsequent measurement:**

Financial assets are subsequently classified as measured at:

- amortised cost
- fair value through profit & loss (FVTPL)
- fair value through other comprehensive income (FVTOCI)

The above classification is being determined considering the:

- (a) the entity's business model for managing the financial assets and
- (b) the contractual cash flow characteristics of the financial asset.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the company changes its business model for managing financial assets.

(i) Measured at amortised cost:

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business module whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Measured at fair value through other comprehensive income (FVTOCI):

Financial assets are measured at FVTOCI, if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

(iii) Measured at fair value through profit or loss (FVTPL):

Financial assets other than equity instrument are measured at FVTPL unless it is measured at amortised cost or at FVTOCI on initial recognition. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Equity instruments:

On initial recognition, the Company can make an irrevocable election (on an instrument by instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Statement of Profit and Loss on disposal of the investments.

Dividends on these investments in equity instruments are recognised in Statement of Profit and Loss when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably. Dividends recognised in Statement of Profit and Loss are included in the 'Other income' line item.

Impairment

The Company recognises a loss allowance for Expected Credit Losses (ECL) on financial assets that are measured at amortised cost and at FVOCI. The credit loss is difference between all contractual cash flows that are due to an entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. This is assessed on an individual or collective basis after considering all reasonable and supportable including that which is forward looking.

Notes to Standalone Financial Statements for the year ended 31st March, 2020

The Company's trade receivables or contract revenue receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall, being simplified approach for recognition of impairment loss allowance.

Under simplified approach, the Company does not track changes in credit risk. Rather it recognizes impairment loss allowance based on the lifetime ECL at each reporting date right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For financial assets other than trade receivables, the Company recognises 12-months expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. If, in a subsequent period, credit quality of the instrument improves such that there is no longer significant increase in credit risks since initial recognition, then the Company reverts to recognizing impairment loss allowance based on 12 months ECL. The impairment losses and reversals are recognised in Statement of Profit and Loss. For equity instruments and financial assets measured at FVTPL, there is no requirement of impairment testing.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Financial Liabilities**Initial Recognition and measurement**

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Company's financial liabilities includes trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Loans & Borrowings:

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognized in profit & loss when the liabilities are derecognized as well as through EIR amortization process.

Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Notes to Standalone Financial Statements for the year ended 31st March, 2020**De-recognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Derivative financial instruments

The Company uses derivative financial instruments, such as forward foreign exchange contracts, to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value, with changes in fair value recognised in Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

8. Fair Value Measurement

The Company measures financial instruments, such as, derivatives, investments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (a) In the principal market for the asset or liability, or
- (b) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- (i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- (iii) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable. For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above"

9. Inventory

Inventories are valued at the lower of cost and net realisable value. Cost is computed on a First-in First-Out (FIFO). Cost of finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

Notes to Standalone Financial Statements for the year ended 31st March, 2020**10. Cash and Cash Equivalents:**

Cash and Cash equivalents include cash and Cheque in hand, bank balances, demand deposits with banks and other short-term highly liquid investments that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value where original maturity is three months or less.

11. Foreign Currency Transactions:**a) Initial Recognition**

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss of the year.

b) Measurement of Foreign Currency Items at the Balance Sheet Date

Foreign currency monetary items of the Company are restated at the closing exchange rates. Non monetary items are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising out of these transactions are charged to the Statement of Profit and Loss."

12. Revenue Recognition:

Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, discounts, loyalty discount, value added taxes and amounts collected on behalf of third parties. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

Sale of Goods

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably.

Rendering of Services

Income from services rendered is recognised based on agreements/ arrangements with the customers as the service is performed/rendered.

Interest

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable and based on Effective interest rate method.

Dividend

Dividend Income is recognized when right to receive the same is established.

13. Employee Benefits:

The Company provides following post-employment plans:

- (a) Defined benefit plans such as gratuity and
- (b) Defined contribution plans such as Provident fund & Superannuation fund

a) Defined-benefit plan:

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of plan assets. The defined benefit obligations is calculated annually by actuaries through actuarial valuation using the projected unit credit method. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

Notes to Standalone Financial Statements for the year ended 31st March, 2020

- (a) Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements; and
- (b) Net interest expense or income.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expenses in the statement of the profit & loss.

Re-measurement comprising of actuarial gains and losses arising from

- (a) Re-measurement of Actuarial(gains)/losses
- (b) Return on plan assets, excluding amount recognized in effect of asset ceiling
- (c) Re-measurement arising because of change in effect of asset ceiling are recognised in the period in which they occur directly in Other comprehensive income. Re-measurement are not reclassified to profit or loss in subsequent periods.

Ind AS 19 requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Company determines the assumptions in conjunction with its actuaries, and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also interdependency between some of the assumptions.

b) Defined-contribution plan:

Under defined contribution plans, provident fund, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. Defined Contribution plan comprise of contributions to the employees' provident fund with the government, superannuation fund and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Company's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

c) Other employee benefits:

- (a) Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the Balance sheet date determined based on an actuarial valuation."
- (b) Undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the related services.

14. Taxes on Income:

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

Current tax is based on taxable profit for the year. Taxable profit is different from accounting profit due to temporary differences between accounting and tax treatments, and due to items that are never taxable or tax deductible. Tax provisions are included in current liabilities. Interest and penalties on tax liabilities are provided for in the tax charge. The Company offsets, the current tax assets and liabilities (on a year on year basis) where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis or to realise the assets and liabilities on net basis.

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred tax assets are not recognised where it is more likely than not that the assets will not be realised in the future.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Notes to Standalone Financial Statements for the year ended 31st March, 2020

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

15. Borrowing Cost:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized as a part of Cost of that assets, during the period till all the activities necessary to prepare the Qualifying assets for its intended use or sale are complete during the period of time that is required to complete and prepare the assets for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are recognized as an expense in the period in which they are incurred.

16. Earnings Per Share:

Basic earnings per shares are calculated by dividing the net profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

17. Assets held for disposal

The Company classifies non-current assets as held for sale if their current carrying amounts will be recovered principally through a sale rather than through continuing use. Such non-current assets classified as held for sale are measured at lower of their carrying amount and fair value less cost to sell. Any expected loss is recognised immediately on statement of profit & loss.

Property, plant & equipment once classified as held for sale are are not depreciated or amortised. Assets and liabilities classified as held for sale are presented separately as current items in the balance sheets.

18. Leases:

Leases Effective April 1, 2019, the Company has adopted Ind AS 116 "Leases" and applied to all lease contracts existing on the date of initial application, using the modified retrospective method along with transition option to recognise right-of-use assets (RoU) at an amount equal to the lease liability. Accordingly, comparatives for previous year ended March 31, 2019 have not been retrospectively adjusted.

The Company as lessor

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognised in the period in which such benefits accrue.

The Company did not make any adjustments to the accounting for assets held as a lessor as a result of adopting the new lease standard.

The Company as lessee (Till March 31, 2019)

Rental expense from operating leases is recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the period in which such benefits accrue.

Notes to Standalone Financial Statements for the year ended 31st March, 2020

Upfront amount paid for land taken on lease is amortised over the period of lease.

The Company as lessee (With effect from April 1, 2019)

The Company assesses whether a contract contains a lease, at inception of a contract. At the date of commencement of the lease, the Company recognises a 'right-of-use' asset and a corresponding liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Right-of-use asset are measured at cost comprising the following:

- the amount of initial measurement of liability.
- any lease payments made at or before the commencement date less the incentives received.
- any initial direct costs, and
- restoration costs.

They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use asset are depreciated over the shorter of asset's useful life and the lease term on a straight-line basis. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

Lease liabilities measured at amortised cost include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date
- amounts expected to be payable by the Company under residual value guarantees
- the exercise price of purchase option if the Company is reasonably certain to exercise that option, and
- payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the rate of interest implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in the similar economic environment with similar terms, security and conditions.

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract in accordance with Ind AS 116 and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in the statement of profit and loss, unless they are directly attributable to qualifying assets. Variable lease payments are recognised in the statement of profit and loss in the period in which the condition that triggers those payments that occur.

19. Provisions, Contingent Liabilities and Contingent Assets:

A provision is recognised if, as a result of a past event, the group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognized nor disclosed in financial statements.

Notes to Standalone Financial Statements for the year ended 31st March, 2020

Notes to Standalone Financial Statements for the year ended 31st March, 2020

32 DISCLOSURE PURSUANT TO IND AS - 19 "EMPLOYEE BENEFITS"

i) Gratuity: In accordance with the applicable laws, the Company provides for gratuity, a defined benefit retirement plan ("The Gratuity Plan") covering eligible employees. The Gratuity Plan provides for a lump sum payment to vested employees on retirement (subject to completion of five years of continuous employment), death, incapacitation or termination of employment that are based on last drawn salary and tenure of employment. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation on the reporting date.

The disclosure in respect of the defined Gratuity Plan are given below:

A. Balance Sheet

(Rs. in '000)

Particulars	Defined benefit plans	
	As at March 31, 2020	As at March 31, 2019
Present value of plan liabilities	877.52	820.76
Fair value of plan assets	793.62	706.38
Asset/(Liability) recognised	83.90	114.38

B. Movements in plan assets and plan liabilities

(Rs. in '000)

Particulars	Present value of obligations	Fair Value of Plan assets
As at 1st April 2019	820.76	706.38
Current service cost	46.39	-
Past service cost	-	-
Interest Cost/(Income)	62.63	49.52
Return on plan assets excluding amounts included in net finance income/cost	-	2.40
Actuarial (gain)/loss arising from changes in financial assumptions	53.33	-
Actuarial (gain)/loss arising from experience adjustments	(105.59)	-
Employer's contribution	-	35.32
Benefit payments	-	-
As at 31st March 2020	877.52	793.62

Particulars	Present value of obligations	Fair Value of Plan assets
As at 1st April 2018	715.70	642.40
Current service cost	46.55	-
Past service cost	-	-
Interest Cost/(Income)	55.47	49.52
Return on plan assets excluding amounts included in net finance income/cost	-	1.34
Actuarial (gain)/loss arising from changes in financial assumptions	8.73	-
Actuarial (gain)/loss arising from experience adjustments	(5.69)	-
Employer's contribution	-	13.12
Benefit payments	-	-
As at 31st March 2019	820.76	706.38

Notes to Standalone Financial Statements for the year ended 31st March, 2020

C. Statement of Profit and Loss

(Rs. in '000)

Particulars	As at March 31, 2020	As at March 31, 2019
Employee Benefit Expenses:		
Current service cost	46.39	46.55
Interest cost/(income)	13.10	5.95
Total amount recognised in Statement of Profit & Loss	59.49	52.50
Remeasurement of the net defined benefit liability:		
Return on plan assets excluding amounts included in net finance income/(cost)	(2.40)	(1.34)
Actuarial gains/(losses) arising from changes in financial assumptions	53.33	8.73
Experience gains/(losses)	(105.59)	(5.69)
Total amount recognised in Other Comprehensive Income	(54.65)	1.70

D. Assumptions

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans at their fair value on the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date.

The significant actuarial assumptions were as follows:

	As at March 31, 2020	As at March 31, 2019
Financial Assumptions		
Discount rate	6.84%	7.63%
Salary Escalation Rate	5.00%	5.00%

E. Major categories of plan assets of the fair value of the total plan assets are as follows:

	As at March 31, 2020	As at March 31, 2019
Insurance policies	100%	100%

F. Sensitivity

The sensitivity of the overall plan liabilities to changes in the weighted key assumptions are:

(Rs. in '000)

Particulars	Impact on defined benefit obligation		
	Change in assumption	Increase in assumption	Decrease in assumption
Discount rate	1.00%	810.99	954.06
Salary Escalation Rate	1.00%	959.71	804.93

The sensitivity analysis above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the same method used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

Notes to Standalone Financial Statements for the year ended 31st March, 2020

G. The defined benefit obligations shall mature after year end 31st March, 2020 as follows: (Rs. in '000)

Year ending March 31, 2020	Defined benefit obligation
2021	15.01
2022	253.20
2023	12.03
2024	12.81
2025	13.65
Thereafter	449.47

The weighted average duration of the defined benefit obligation is 12.39

33 Contingent liabilities (Rs. in '000)

Particulars	As at March 31, 2020	As at March 31, 2019
Claims against the Company not acknowledged as debts		
(i) Guarantees given by banks	-	-
(ii) liabilities that may arise in respect of disputed matters in relation to - Excise duty	6,317.00	6,317.00
	6,317.00	6,317.00

Note: - The Company's pending litigations comprise of claims against the Company and proceedings pending with tax and other authorities. The Company has reviewed all its pending litigations and proceedings and has made adequate provisions, wherever required and disclosed the contingent liabilities, wherever applicable, in its financial statements. The Company does not reasonably expect the outcome of these proceedings to have a material impact on its financial statements.

34 Commitments

The Company does not have any commitments (including capital commitments) as on March 31, 2020. (As at March 31, 2019 - Nil)

35 Earning Per share (Rs. in '000)

Particulars	For the year ended March 31, 2020	For the year ended March 31, 2019
Profit after tax available for equity shareholders	(20,045.10)	(8,274.55)
Weighted average number of equity shares	85,04,866	85,04,866
Nominal value of equity shares	10	10
Basic and diluted Earning Per Share	(2.36)	(0.97)

36 Net debt reconciliations (Rs. in '000)

Particulars	As at March 31, 2020	As at March 31, 2019
Non-Current borrowings	27,712.29	83,330.47
Current borrowings (including current maturities)	82,905.18	28,956.90
	1,10,617.48	1,12,287.37

Notes to Standalone Financial Statements for the year ended 31st March, 2020

(Rs. in '000)

Particulars	For the year ended March 31, 2020
Net debt as at April 01, 2019	1,12,287.37
Cash flows	(7,720.69)
Unwinding of discounts on Interest free loan	6,050.79
Borrowing cost	-
Net debt as at March 31, 2020	1,10,617.48

37 Financial instruments

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The carrying amounts and fair values of financial instruments by category are as follows:

As at March 31, 2020

(Rs. in '000)

Particulars	FVOCI	FVTPL	Amortised cost	Total fair value	Carrying amount

Total	-	-	1,25,534.22	1,25,534.22	1,25,534.22

There were no significant changes in classification and no significant movements between the fair value hierarchy classifications of financial assets and financial liabilities during the period.

38 Financial risk factors

The Company's principal financial liabilities comprises of loans and borrowings, advances and trade and other payables. The purpose of these financial liabilities is to finance the Company's operations and to provide support to its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company's activities exposes it to Liquidity Risk, Market Risk and Credit risk. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised as below.

(a) Liquidity risk

The risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk management implies maintenance of sufficient cash including availability of funding through an adequate amount of committed credit facilities to meet the obligations as and when due.

The Company manages its liquidity risk by ensuring as far as possible that it will have sufficient liquidity to meet its short term and long term liabilities as and when due. Anticipated future cash flows are expected to be sufficient to meet the liquidity requirements of the Company.

Notes to Standalone Financial Statements for the year ended 31st March, 2020

(i) The following is the contractual maturities of the financial liabilities:

Particulars	Carrying amount	Payable on demand	1-12 months	More than 12 months
As at March 31, 2020				
Non-derivative liabilities				
Borrowings	1,10,617.48	-	82,905.18	27,712.29
Trade payables	10,401.65	-	10,401.65	-
Other financial liabilities	5,146.68	-	5,146.68	-
	1,26,165.80	-	98,453.50	27,712.29
As at March 31, 2019				
Non-derivative liabilities				
Borrowings	1,12,287.37	-	28,956.90	83,330.47
Trade payables	8,734.31	-	8,734.31	-
Other financial liabilities	4,512.54	-	4,512.54	-
	1,25,534.22	-	42,203.75	83,330.47

(b) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk includes investment, deposits, foreign currency receivables and payables. The Company's treasury team manages the Market risk, which evaluates and exercises independent control over the entire process of market risk management.

(i) Foreign currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company has foreign currency trade payables and receivables and is therefore exposed to foreign exchange risk. The exchange rates have been volatile in the recent years and may continue to be volatile in the future. Hence the operating results and financials of the Company may be impacted due to volatility of the rupee against foreign currencies.

(Amount in '000)

Particulars	Trade receivables	
	In Foreign Currency	In INR
As at March 31, 2020		
- USD/Euro	126.94	10,913.67
As at March 31, 2019		
- USD/Euro	184.32	24,236.59

(ii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. According to the Company interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

(Rs. in '000)

Exposure to Interest rate risk	As at March 31, 2020	As at March 31, 2019
Total borrowings	1,10,617.48	1,12,287.37
% of Borrowings out of above bearing variable rate of interest	27.39%	32.12%

Notes to Standalone Financial Statements for the year ended 31st March, 2020

Interest rate sensitivity

A change of 50 bps in interest rates would have following Impact on profit before tax:

(Rs. in '000)

Particulars	For the year ended March 31, 2020	For the year ended March 31, 2019
50 bp increase would decrease the profit before tax by	151.52	180.34
50 bp decrease would increase the profit before tax by	(151.52)	(180.34)

(c) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. The Company is exposed to credit risks from its operating activities, primarily trade receivables, cash and cash equivalents, deposits with banks and other financial instruments.

Credit risk is managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business.

(Rs. in '000)

Exposure to the Credit risks	As at March 31, 2020	As at March 31, 2019
Financial assets for which loss allowance is measured using Life time Expected Credit Losses (ECL) - Trade Receivables	20,629.69	25,034.21

Trade and other receivables

The Company considers the probability of default upon initial recognition of assets and whether there has been a significant increase in credit risks on an ongoing basis throughout each reporting period.

To assess whether there is a significant change increase in credit risk the Company compares the risks of default occurring on the assets as at the reporting date with the risk of default as at the date of initial recognition. It considers the reasonable and supportive forward looking information such as:

- (i) Actual or expected significant adverse changes in business.
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations
- (iv) Significant increase in credit risk on other financial instruments of same counterparty

Ageing of the accounts receivables

(Rs. in '000)

	As at March 31, 2020	As at March 31, 2019
< 180 days	18,242.90	14,107.65
> 180 days	2,386.80	10,926.56
	20,630.69	25,034.21

Movement in provision of doubtful debts and advances - There were no Provision of doubtful debts as on March 31, 2020 and March 31, 2019.

Notes to Standalone Financial Statements for the year ended 31st March, 2020

39 (a) Financial risk factors

Capital risk management

The Company's objectives when managing capital are to :

- (i) safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- (ii) maintain an optimal capital structure to reduce the cost of capital

In order to maintain or adjust the capital structure, the Company may issue new shares, adjust the amount of dividends paid to shareholders etc. The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

The Company monitors capital using a gearing ratio being a ratio of net debt as a percentage of total capital.

(Rs. in '000)

	As at March 31, 2020	As at March 31, 2019
Total equity	58,233.54	78,245.14
Net debt (Total borrowings less cash and cash equivalents)	1,09,538.29	1,17,586.35
Total capital (Borrowings and Equity)	1,67,771.83	1,95,831.49
Gearing ratio	65.29%	60.04%

(b) Dividends

The Company follows the policy of Dividend for every financial year as may be decided by Board considering financial performance of the company and other internal and external factors enumerated in the Company dividend policy.

40 Segment Reporting

The Company's Board of Directors consisting of Managing Director has been identified as the Chief Operating Decision Maker (CODM) as defined under Ind AS 108 "Operating Segments". The CODM evaluates the Company's performance and allocated the resources based on an analysis of various performance indicators. The Company is primarily engaged in the business of Manufacture of Pharmaceuticals, Medicinal products and the management considers these business activities as a single reportable segment.

We have audited the accompanying consolidated financial statements of **Parnax Lab Limited** (hereinafter referred to as "the Holding Company") and its subsidiary **Naxpar Pharma Private Limited** (the holding company and its subsidiary constitute "the Group") which comprise the consolidated Balance Sheet as at March 31, 2020, and the consolidated Statement of Profit and Loss (including Other Comprehensive Income) the consolidated Cash Flow Statement and the Statement of changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as "the consolidated financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the group as at 31st March, 2020, and its consolidated losses (including other comprehensive income) their consolidated cash flows and consolidated changes in equity for the year ended on that date.

Basis of Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder; and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined that there are no key audit matters to communicate in our report.

Information other than the financial statements and auditors' report thereon

6. The Holding Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.
7. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
8. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance

Management's Responsibility for the Consolidated Financial Statements

9. The Holding Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated cash flows and consolidated Statement of changes in Equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Group and for preventing and detecting the frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting

policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

10. In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the Companies included in the Group is responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
 - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements, of which we are the independent auditors. We are responsible for the direction, supervision and performance of the audit of financial information of such entities. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled 'Other Matters' in this audit report.
 - We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

16. As required by section 197(16) of the Act, in our opinion and according to the information and explanations given to us, we report that the Holding Company, and its subsidiary company covered under the Act, paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under section 197 of the Act read with Schedule V to the Act.
17. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditor.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Cash Flow Statement and the Consolidated Statement of changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of written representations received from the directors of the Holding Company as on 31st March, 2020, and taken on record by the Board of Directors of the Holding Company and on the basis of the report of the statutory auditor of its subsidiary company, none of the directors of the Group is disqualified as on 31st March, 2020, from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our report in "Annexure A".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiary, as noted in the 'Other Matters' paragraph:
 - i) The Consolidated financial statements disclosed the impact of pending litigation as at 31st March 2020 on the consolidated financial position of the Group – Refer Note 34 to the consolidated financial statements;
 - ii) The Group did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses; and
 - iii) There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Group.

Dated : 31st July, 2020

Annexure A to the Independent Auditors' Report

Referred to as "Annexure A" in paragraph 17(f) under Independent Auditors' Report of even date to the members of **Parnax Lab Limited** on the consolidated financial statements for the year ended on 31st March, 2020.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of **Parnax Lab Limited** ("the Holding Company") and its subsidiary company which are incorporated in India, as on 31st March, 2020 in conjunction with our audit of the consolidated financial statements of the Company for the year ended and as on that date.

Management's Responsibility for Internal Financial Controls

2. The Respective Board of Directors of the Holding Company and its subsidiary company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls over financial reporting. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company and its subsidiary company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Company and its subsidiary company incorporated in India considering the essential components of internal control stated in the Guidance Note.

Notes to Consolidated Financial Statements for the year ended 31st March, 2020
Note 1 :**A. CORPORATE INFORMATION:**

The consolidated financial statements comprises financial statements of Parnax Lab Limited (Parent Company) and its subsidiary Naxpar Pharma Private Limited (hereinafter to be referred as the Group) for the year ended March 31, 2020.

Parnax Lab Limited is a public Group incorporated under the provisions of the Companies Act, 1956. The Group is principally engaged in the business activities of manufacturing and export of Pharmaceutical Formulations.

B. SIGNIFICANT ACCOUNTING POLICIES:**1. Basis of Preparation of Financial Statements:**

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting standards) Rules as amended from time to time and other related provisions of the Act.

The financial statements of the Group are prepared on the accrual basis of accounting and Historical cost convention except for the following material items that have been measured at fair value as required by the relevant Ind AS:

- (i) Certain financial assets and liabilities are measured at Fair value (Refer note no. 8)
- (ii) Defined benefit employee plan (Refer note no. 13)

The accounting policies are applied consistently to all the periods presented in the consolidated financial statements. All assets and liabilities have been classified as current or non current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Basis of Consolidation

The consolidated financial statements comprise the financial statements of the Parent Company and its subsidiaries as at March 31, 2020.

Subsidiaries

Subsidiaries are all entities over which the Group has control. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

Specifically, the Group controls an investee if and only if the Group has

- (a) Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- (b) Exposure, or rights, to variable returns from its involvement with the investee
- (c) The ability to use its power over the investee to affect its returns

Consolidation of a subsidiary begins when the group obtains control over the subsidiary and ceases when the Group losses control of the subsidiary.

Consolidation Procedure**Subsidiaries**

- (a) Combine, on line by line basis like items of assets, liabilities, equity, income, expenses and cash flows of the Parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the Parent's investment in each subsidiary and the Parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.

Notes to Consolidated Financial Statements for the year ended 31st March, 2020

- (c) Eliminate in full intra-group assets and liabilities, equity, income, expenses and Cash flows relating to transactions between entities of the group (profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant and equipment (PPE), are eliminated in full). Intra-group losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intra-group transactions.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Parent Company and to the noncontrolling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Parent Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Groupmember's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

Changes in the Group's ownership interest in existing subsidiaries:

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the group.

When the Group loses control of a subsidiary, a gain or loss is recognised in consolidated statement of profit and loss and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any noncontrolling interests.

The consolidated financial statements are presented in INR, the functional currency of the Group.

2. Use of Estimates and judgments:

The preparation of the consolidated financial statements requires the Management to make, judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates. The estimates and judgements used in the preparation of the consolidated financial statements are continuously evaluated by the management and are based on historical experience and various other assumptions and factors (including expectations of future events) that the management believes to be reasonable under the existing circumstances. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Critical accounting judgements and key source of estimation uncertainty

The Group is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. The estimates and underlying assumptions are reviewed on an on-going basis.

- (a) Recognition and measurement of defined benefit obligations, key actuarial assumptions - Note no. - 13
(b) Estimation of current tax expenses and payable - Refer note no. - 14

Estimation of uncertainties relating to the global health pandemic from COVID-19

The Group has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipments, investments, inventories, receivables, and other current assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the

Notes to Consolidated Financial Statements for the year ended 31st March, 2020

Group, as at the date of approval of these financial statements has used internal and external sources of information. There is no material adverse impact of CoVID - 19 pandemic on the Group and its operations/profitability during the financial year ended March 31, 2020. However, CoVID - 19 pandemic effect if any, on the Group's operation / profitability in the current FY 2020-21 can only be assessed in due course.

3. Property, plant and equipment (PPE):

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any.

The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable costs of bringing the asset to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure and subsequent costs are included in the assets carrying amount or recognized as a separate asset, as appropriate only if it is probable that the future economic benefits associated with the item will flow to the Group and that the cost of the item can be reliably measured.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital working-progress".

4. Intangible assets:

Intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

5. Depreciation and Amortization:**(a) Property plant and equipment (PPE)**

Depreciation is provided on a pro-rata basis on the straight line method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

(b) Intangible assets

The useful lives of intangible assets are assessed as either finite or indefinite. Finite-life intangible assets are amortised on a straight-line basis over the period of their expected useful lives. The amortisation period and the amortisation method for finite life intangible assets is reviewed at each financial year end and adjusted prospectively, if appropriate. For indefinite life intangible assets, the assessment of indefinite life is reviewed annually to determine whether it continues, if not, it is impaired or changed prospectively basis revised estimates.

6. Investment Properties:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Group, is classified as investment property. Investment property is measured at its cost, including related transaction costs and where applicable borrowing costs less depreciation and impairment if any.

Depreciation on building is provided based on straight line method using the useful life as specified in schedule II of the Companies Act, 2013.

Notes to Consolidated Financial Statements for the year ended 31st March, 2020**7. Financial Instruments:****Financial assets - Initial recognition:**

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instruments. On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

Subsequent measurement:

Financial assets are subsequently classified as measured at:

- amortised cost
- fair value through profit & loss (FVTPL)
- fair value through other comprehensive income (FVTOCI)

The above classification is being determined considering the:

- (a) the entity's business model for managing the financial assets and
- (b) the contractual cash flow characteristics of the financial asset.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Group changes its business model for managing financial assets.

(i) Measured at amortised cost:

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business module whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Measured at fair value through other comprehensive income (FVTOCI):

Financial assets are measured at FVTOCI, if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss

(iii) Measured at fair value through profit or loss (FVTPL):

Financial assets other than equity instrument are measured at FVTPL unless it is measured at amortised cost or at FVTOCI on initial recognition. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Equity instruments:

On initial recognition, the Group can make an irrevocable election (on an instrument-by instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Statement of Profit and Loss on disposal of the investments. Dividends on these investments in equity instruments are recognised in Statement of Profit and Loss when the Group's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably. Dividends recognised in Statement of Profit and Loss are included in the 'Other income' line item.

Notes to Consolidated Financial Statements for the year ended 31st March, 2020**Impairment**

The Group recognises a loss allowance for Expected Credit Losses (ECL) on financial assets that are measured at amortised cost and at FVOCI. The credit loss is difference between all contractual cash flows that are due to an entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. This is assessed on an individual or collective basis after considering all reasonable and supportable including that which is forward looking.

The Group's trade receivables or contract revenue receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall, being simplified approach for recognition of impairment loss allowance.

Under simplified approach, the Group does not track changes in credit risk. Rather it recognizes impairment loss allowance based on the lifetime ECL at each reporting date right from its initial recognition. The Group uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For financial assets other than trade receivables, the Group recognises 12-months expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. If, in a subsequent period, credit quality of the instrument improves such that there is no longer significant increase in credit risks since initial recognition, then the Group reverts to recognizing impairment loss allowance based on 12 months ECL. The impairment losses and reversals are recognised in Statement of Profit and Loss. For equity instruments and financial assets measured at FVTPL, there is no requirement of impairment testing.

Derecognition

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Financial Liabilities**Initial Recognition and measurement**

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Group's financial liabilities includes trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss. Loans & Borrowings: After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognized in profit & loss when the liabilities are derecognized as well as through EIR amortization process. Financial Guarantee Contracts : Financial guarantee contracts issued by the Group are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Notes to Consolidated Financial Statements for the year ended 31st March, 2020**De-recognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Derivative financial instruments :The Group uses derivative financial instruments, such as forward foreign exchange contracts, to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value, with changes in fair value recognised in Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

8. Fair Value Measurement:

The Group measures financial instruments, such as, derivatives, investments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:(a) In the principal market for the asset or liability, or(b) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- (i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- (iii) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above"

9. Inventory:

Inventories are valued at the lower of cost and net realisable value. Cost is computed on a First-in First-Out (FIFO). Cost of finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

Notes to Consolidated Financial Statements for the year ended 31st March, 2020**10. Cash and Cash Equivalents:**

Cash and Cash equivalents include cash and Cheque in hand, bank balances, demand deposits with banks and other short-term highly liquid investments that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value where original maturity is three months or less.

11. Foreign Currency Transactions:**a) Initial Recognition**

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss of the year.

b) Measurement of Foreign Currency Items at the Balance Sheet Date

Foreign currency monetary items of the Group are restated at the closing exchange rates. Non monetary items are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising out of these transactions are charged to the Statement of Profit and Loss.

12. Revenue Recognition:

Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, discounts, loyalty discount, value added taxes and amounts collected on behalf of third parties.

The Group recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Group and specific criteria have been met for each of the Group's activities as described below."

Sale of Goods

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably.

Rendering of Services

Income from services rendered is recognised based on agreements/ arrangements with the customers as the service is performed/rendered.

Interest

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable and based on Effective interest rate method.

Dividend

Dividend Income is recognized when right to receive the same is established.

13. Employee Benefits:

The Group provides following post-employment plans:

- (a) Defined benefit plans such as gratuity and
- (b) Defined contribution plans such as Provident fund & Superannuation fund

a) Defined-benefit plan:

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of plan assets. The defined benefit obligations is calculated annually by actuaries through actuarial valuation using the projected unit credit method.

Notes to Consolidated Financial Statements for the year ended 31st March, 2020

The Group recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- (a) Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements; and
- (b) Net interest expense or income

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expenses in the statement of the profit & loss.

Re-measurement comprising of actuarial gains and losses arising from

- (a) Re-measurement of Actuarial(gains)/losses
- (b) Return on plan assets, excluding amount recognized in effect of asset ceiling
- (c) Re-measurement arising because of change in effect of asset ceiling

are recognised in the period in which they occur directly in Other comprehensive income. Re-measurement are not reclassified to profit or loss in subsequent periods.

Ind AS 19 requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Group determines the assumptions in conjunction with its actuaries, and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also interdependency between some of the assumptions.

b) Defined-contribution plan:

Under defined contribution plans, provident fund, the Group pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. Defined Contribution plan comprise of contributions to the employees' provident fund with the government, superannuation fund and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Group's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

c) Other employee benefits:

- (a) Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the Balance sheet date determined based on an actuarial valuation.
- (b) Undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the related services.

14. Taxes on Income:

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

Current tax is based on taxable profit for the year. Taxable profit is different from accounting profit due to temporary differences between accounting and tax treatments, and due to items that are never taxable or tax deductible. Tax provisions are included in current liabilities. Interest and penalties on tax liabilities are provided for in the tax charge. The Group offsets, the current tax assets and liabilities (on a year on year basis) where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis or to realise the assets and liabilities on net basis.

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred tax assets are not recognised where it is more likely than not that the assets will not be realised in the future.

Notes to Consolidated Financial Statements for the year ended 31st March, 2020

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income-tax during the specified period. The Group reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Group will pay normal income-tax during the specified period.

15. Borrowing Cost:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized as a part of Cost of that assets, during the period till all the activities necessary to prepare the Qualifying assets for its intended use or sale are complete during the period of time that is required to complete and prepare the assets for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are recognized as an expense in the period in which they are incurred.

16. Earnings Per Share:

Basic earnings per shares are calculated by dividing the net profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

17. Assets held for disposal:

The Group classifies non-current assets as held for sale if their current carrying amounts will be recovered principally through a sale rather than through continuing use. Such non-current assets classified as held for sale are measured at lower of their carrying amount and fair value less cost to sell. Any expected loss is recognised immediately on statement of profit & loss.

Property, plant & equipment once classified as held for sale are are not depreciated or amortised. Assets and liabilities classified as held for sale are presented separately as current items in the balance sheets.

18. Leases:

Leases Effective April 1, 2019, the Group has adopted Ind AS 116 "Leases" and applied to all lease contracts existing on the date of initial application, using the modified retrospective method along with transition option to recognise right-of-use assets (RoU) at an amount equal to the lease liability. Accordingly, comparatives for previous year ended March 31, 2019 have not been retrospectively adjusted.

Where the Group is lessor

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognised in the period in which such benefits accrue.

The Group did not make any adjustments to the accounting for assets held as a lessor as a result of adopting the new lease standard.

The Group as lessee (Till March 31, 2019)

Rental expense from operating leases is recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the period in which such benefits accrue.

Notes to Consolidated Financial Statements for the year ended 31st March, 2020

Upfront amount paid for land taken on lease is amortised over the period of lease.

The Group as lessee (With effect from April 1, 2019)

The Group assesses whether a contract contains a lease, at inception of a contract. At the date of commencement of the lease, the Group recognises a 'right-of-use' asset and a corresponding liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Right-of-use asset are measured at cost comprising the following:

- the amount of initial measurement of liability
- any lease payments made at or before the commencement date less the incentives received
- any initial direct costs, and
- restoration costs

They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use asset are depreciated over the shorter of asset's useful life and the lease term on a straight-line basis. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

Lease liabilities measured at amortised cost include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date
- amounts expected to be payable by the Company under residual value guarantees
- the exercise price of purchase option if the Company is reasonably certain to exercise that option, and
- payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the rate of interest implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Group, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in the similar economic environment with similar terms, security and conditions.

The Group accounts for each lease component within the contract as a lease separately from non-lease components of the contract in accordance with Ind AS 116 and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in the statement of profit and loss, unless they are directly attributable to qualifying assets. Variable lease payments are recognised in the statement of profit and loss in the period in which the condition that triggers those payments that occur.

19. Provisions, Contingent Liabilities and Contingent Assets:

A provision is recognised if, as a result of a past event, the group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Group from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognized nor disclosed in financial statements.

Notes to Standalone Financial Statements for the year ended 31st March, 2020

	(6,752.86)	(366.49)	(7,119.35)

Notes to Consolidated Financial Statements for the year ended 31st March, 2020

33 DISCLOSURE PURSUANT TO IND AS - 19 "EMPLOYEE BENEFITS"

i) Gratuity: In accordance with the applicable laws, the Company provides for gratuity, a defined benefit retirement plan ("The Gratuity Plan") covering eligible employees. The Gratuity Plan provides for a lump sum payment to vested employees on retirement (subject to completion of five years of continuous employment), death, incapacitation or termination of employment that are based on last drawn salary and tenure of employment. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation on the reporting date.

The disclosure in respect of the defined Gratuity Plan are given below:

A. Balance Sheet

(Rs. in '000)

Particulars	Defined benefit plans	
	As at March 31, 2020	As at March 31, 2019
Present value of plan liabilities	6,674.86	5,710.75
Fair value of plan assets	5,482.14	3,665.63
Asset/(Liability) recognised	1,192.72	2,045.12

B. Movements in plan assets and plan liabilities

(Rs. in '000)

Particulars	Present value of obligations	Fair Value of Plan assets
As at 1st April 2019	5,710.75	3,665.83
Current service cost	1,319.90	-
Past service cost	-	-
Interest Cost/(Income)	411.77	305.30
Return on plan assets excluding amounts included in net finance income/cost	-	80.81
Actuarial (gain)/loss arising from changes in demographic assumptions	-	-
Actuarial (gain)/loss arising from changes in financial assumptions	491.45	-
Actuarial (gain)/loss arising from experience adjustments	(630.81)	-
Employer contributions	-	1,562.69
Benefit payments	(628.19)	(132.50)
As at 31st March 2020	6,674.86	5,482.14

Particulars	Present value of obligations	Fair Value of Plan assets
As at 1st April 2018	4,241.97	2,791.34
Current service cost	1,195.51	49.52
Past service cost	-	-
Interest Cost/Income	285.01	191.20
Return on plan assets excluding amounts included in net finance income/cost	-	9.55
Actuarial (gain)/loss arising from changes in demographic assumptions	-	-
Actuarial (gain)/loss arising from changes in financial assumptions	67.24	-
Actuarial (gain)/loss arising from experience adjustments	1,049.92	-
Employer contributions	-	1,653.32
Benefit payments	(1,128.89)	(1,029.09)
As at 31st March 2019	5,710.75	3,665.83

Notes to Consolidated Financial Statements for the year ended 31st March, 2020

C. Statement of Profit and Loss

(Rs. in '000)

Particulars	As at March 31, 2020	As at March 31, 2019
Employee Benefit Expenses:		
Current service cost	1,319.90	1,195.51
Interest cost/(income)	106.46	44.29
Total amount recognised in Statement of Profit & Loss	1,426.36	1,239.80
Remeasurement of the net defined benefit liability:		
Return on plan assets excluding amounts included in net finance income/(cost)	(80.81)	(9.55)
Actuarial gains/(losses) arising from changes in Demographic assumptions	-	-
Actuarial gains/(losses) arising from changes in financial assumptions	491.45	67.24
Experience gains/(losses)	(630.81)	1,049.92
Total amount recognised in Other Comprehensive Income	(220.17)	1,107.61

D. Assumptions

With the objective of presenting the plan assets and plan liabilities of the defined benefits plans at their fair value on the balance sheet, assumptions under Ind AS 19 are set by reference to market conditions at the valuation date.

The significant actuarial assumptions were as follows:

	As at March 31, 2020	As at March 31, 2019
Financial Assumptions		
Discount rate	6.86%	7.63%
Salary Escalation Rate	5.00%	6.00%

E. Major categories of plan assets of the fair value of the total plan assets are as follows:

	As at March 31, 2020	As at March 31, 2019
Insurance policies	100%	100%

F. Sensitivity

The sensitivity of the overall plan liabilities to changes in the weighted key assumptions are:

(Rs. in '000)

Particulars	Impact on defined benefit obligation		
	Change in assumption	Increase in assumption	Decrease in assumption
Discount rate	1.00%	6,043.50	7,427.05
Salary Escalation Rate	1.00%	7,466.33	5,999.85

The sensitivity analysis above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the same method used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

Notes to Consolidated Financial Statements for the year ended 31st March, 2020

G. The defined benefit obligations shall mature after year end 31st March, 2020 as follows: (Rs. in '000)

Year ending March 31, 2020	Defined benefit obligation
2021	198.38
2022	554.69
2023	532.28
2024	911.55
2025	338.20
Thereafter	2,491.32

The weighted average duration of the defined benefit obligation is 14.76

34 Contingent liabilities (Rs. in '000)

Particulars	As at March 31, 2020	As at March 31, 2019
Claims against the Company not acknowledged as debts		
(i) Guarantees given by banks	3,344.00	3,344.00
(ii) liabilities that may arise in respect of disputed matters in relation to		
- Excise duty	6,317.00	6,317.00
- Income tax	-	-
(iii) Others	-	-
	9,661.00	9,661.00

Note: - The Group's pending litigations comprise of claims against the Group and proceedings pending with tax and other authorities. The Group has reviewed all its pending litigations and proceedings and has made adequate provisions, wherever required and disclosed the contingent liabilities, wherever applicable, in its financial statements. The Group does not reasonably expect the outcome of these proceedings to have a material impact on its consolidated financial statements.

35 Commitments

Estimated value of contracts on capital account, excluding capital advances, remaining to be executed and not provided for as on 31st March, 2020 was Rs 125 Lacs (Previous Year Rs Nil)

36 Earning Per share (Rs. in '000)

Particulars	For the year ended March 31, 2020	For the year ended March 31, 2019
Profit after tax available for equity shareholders	(29,160.87)	33,053.57
Weighted average number of equity shares	85,04,866	85,04,866
Nominal value of equity shares	10	10
Basic and diluted Earning Per Share	(3.43)	3.89

37 Net debt reconciliations (Rs. in '000)

Particulars	As at March 31, 2020	As at March 31, 2019
Non-Current borrowings	1,91,530.49	2,15,833.18
Current borrowings (including current maturities)	3,13,353.29	2,03,833.18
	5,04,883.78	4,19,385.17

Notes to Consolidated Financial Statements for the year ended 31st March, 2020

(Rs. in '000)

Particulars	For the year ended March 31, 2020
Net debt as at April 01, 2019	4,19,385.17
Cash flows	80,360.74
Unwinding of discounts on Interest free loan	6,050.79
Borrowing cost	(912.92)
Net debt as at March 31, 2020	5,04,883.78

38 Financial instruments

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The carrying amounts and fair values of financial instruments by category are as follows:

As at March 31, 2020

(Rs. in '000)

Particulars	FVOCI	FVTPL	Amortised cost	Total fair value	Carrying amount

Total	-	-	5,65,804.03	5,65,804.03	5,65,804.03

There were no significant changes in classification and no significant movements between the fair value hierarchy classifications of financial assets and financial liabilities during the period.

39 Financial risk factors

The Group's principal financial liabilities comprise loans and borrowings, advances and trade and other payables. The purpose of these financial liabilities is to finance the Group's operations and to provide to support its operations. The Group's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Group's activities exposes it to Liquidity Risk, Market Risk and Credit risk. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised as below.

(a) Liquidity risk

The risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk management implies maintenance sufficient cash including availability of funding through an adequate amount of committed credit facilities to meet the obligations as and when due.

The Company manages its liquidity risk by ensuring as far as possible that it will have sufficient liquidity to meet its short term and long term liabilities as and when due. Anticipated future cash flows are expected to be sufficient to meet the liquidity requirements of the Company.

Notes to Consolidated Financial Statements for the year ended 31st March, 2020

(i) The following is the contractual maturities of the financial liabilities:

Particulars	Carrying amount	Payable on demand	1-12 months	More than 12 months
As at March 31, 2020				
Non-derivative liabilities				
Borrowings	5,04,883.78	-	3,13,353.29	1,91,530.49
Trade payables	1,08,412.71	-	1,08,412.71	-
Other financial liabilities	92,956.40	-	92,956.40	-
	7,06,252.89	-	5,14,722.40	1,91,530.49
As at March 31, 2019				
Non-derivative liabilities				
Borrowings	4,19,385.17	-	2,03,551.98	2,15,833.18
Trade payables	72,583.63	-	72,583.63	-
Other financial liabilities	73,835.24	-	73,835.24	-
	5,65,804.03	-	3,49,970.85	2,15,833.18

(b) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk includes investment, deposits, foreign currency receivables and payables. The Company's treasury team manages the Market risk, which evaluates and exercises independent control over the entire process of market risk management.

(i) Foreign currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company has foreign currency trade payables and receivables and is therefore exposed to foreign exchange risk. The exchange rates have been volatile in the recent years and may continue to be volatile in the future. Hence the operating results and financials of the Company may be impacted due to volatility of the rupee against foreign currencies.

(Amount in '000)

(ii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. According to the Company interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

(Rs. in '000)

Exposure to Interest rate risk	As at March 31, 2020	As at March 31, 2019
Total borrowings	5,04,883.78	4,19,385.17
% of Borrowings out of above bearing variable rate of interest	64%	81%

Notes to Consolidated Financial Statements for the year ended 31st March, 2020

Interest rate sensitivity

A change of 50 bps in interest rates would have following Impact on profit before tax:

(Rs. in '000)

Particulars	For the year ended March 31, 2020	For the year ended March 31, 2019
50 bp increase would decrease the profit before tax by	1,625.69	1,693.74
50 bp decrease would increase the profit before tax by	(1,625.69)	(1,693.74)

(c) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. The Company is exposed to credit risks from its operating activities, primarily trade receivables, cash and cash equivalents, deposits with banks and other financial instruments.

Credit risk is managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business.

(Rs. in '000)

Exposure to the Credit risks	As at March 31, 2020	As at March 31, 2019
Financial assets for which loss allowance is measured using Life time Expected Credit Losses (ECL) - Trade Receivables	2,30841.96	1,91,842.31

Trade and other receivables

The Company considers the probability of default upon initial recognition of assets and whether there has been a significant increase in credit risks on an ongoing basis throughout each reporting period.

To assess whether there is a significant change increase in credit risk the Company compares the risks of default occurring on the assets as at the reporting date with the risk of default as at the date of initial recognition. It considers the reasonable and supportive forward looking information such as:

- (i) Actual or expected significant adverse changes in business.
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations
- (iv) Significant increase in credit risk on other financial instruments of same counterparty

Ageing of the accounts receivables

(Rs. in '000)

	As at March 31, 2020	As at March 31, 2019
< 180 days	2,22,759.18	1,61,736.07
